LEGENDARY LARRY

LINEAGE: NEPALI OG AND 88 G-13 HASHPLANT

Grown in BC's North Okanagan, this indica dominant cultivar boasts high THC and a powerful fragrance punch featuring strong notes of spice, earth and wood. A cross between Nepali OG and 88 G-13 Hashplant, Legendary Larry's lineage is unique to many consumers but hits with classic Indica effects.

Quality flower is everything when it comes to great pre-rolls, in the case of ours, we're talking 100% cannabis flower, no shaky pre-rolls here!

WWW.PISTOLANDPARIS.COM

AROMA

This cultivar is known for its strong fragrance of woody earth tones and spice.

FLAVOUR

A pervasive flavour of earthiness with undertones of rich spiciness.

BLACKBERRY BREATH

LINEAGE: PURPLE PUNCH X BLACK CHERRY PIE

This heavily Indica-dominant cultivar is well known and well-loved for both its potency and its intense flavours of sweet, earthy cherry, and woodiness. Blackberry Breath flower was expertly grown at JBuds Farm and was hang dried, hand-trimmed, and cured to perfection. This variety consistently hits 25% THC levels and can be counted on to hit hard.

We've made your relaxation ritual even easier by rolling this flower into perfectly, expertly rolled joints, ready to go in a pack or 3 x 0.5 gram PRs. It's important to us that every pre-roll with our name on it lives up to our standards and idea of what the perfect pre-roll is.

WWW.PISTOLANDPARIS.COM

AROMA

Celebrated for its bold cherry flavor profile that comes from dense, citrus terpenes, this flower's aroma is often described as sweet and fruity with rich skunky undertones.

FLAVOUR

A bold cherry flavour sets this strain apart from others. The citrus and floral undertones bring to mind a sweet dessert, meant to be savored.

HAND ROLLED TO PERFECTION

We take care to grind the flower to a consistent particle size which helps the final product burn smoothly.
