BLACK TRIANGLE

| | | | | | | | |
|-----|--------|-----|-----|----------|------|----------|-------|
| THC | 24-28% | CBD | <1% | TERPENES | 2.4% | MOISTURE | 11.4% |
|-----|--------|-----|-----|----------|------|----------|-------|

Created through crossing the infamous Triangle Kush X '88 G13 Hashplant, this Indica leaning hybrid was originally bred by Bohdi Seeds and grown on Vancouver Island by Verte West. Long-lasting effects are the name of the game with Black Triangle, hitting both mind and body with a deeply peaceful potency, Black Triangle's high comes on with a euphoric lift that launches your mind into a state of pure unfocused bliss.

3 X 0.5g PREMIUM AAAA PRE-ROLLS | CASE SIZE 12

 AROMA

Spicy, with citrus overtones and fresh vanilla accompanied by earthy undertones.

 FLAVOUR

This cultivar offers up a sweet, earthy flavour with a mouthful of citrusy pine on the exhale.

HAND ROLLED TO PERFECTION

We take care to grind the flower to a consistent particle size which helps the final product burn smoothly.

ORANGE TINGZ

| | | | | | | | |
|-----|--------|-----|-----|----------|------|----------|-------|
| THC | 23-27% | CBD | <1% | TERPENES | 3.4% | MOISTURE | 10.7% |
|-----|--------|-----|-----|----------|------|----------|-------|

This Hybrid is a cross between slurrricane and TMAC, originally bred by Mother Labs and grown by JBuds in Summerland, B.C. Expect the buds to be heavily frosted and sticky to the touch while the flavour leans sweet with subtle grape and berry understones. The dominant terpenes in this cultivator are limonene, Trans-Caryophyllene and Ocimene. Reviewers say that Orange Tingz makes for a perfect after dinner, sweet dessert cannabis experience at 24.5% THC and 3.4% terpenes.

3 X 0.5g PREMIUM AAAA PRE-ROLLS | CASE SIZE 12

 AROMA

The aroma and flavour of this flower are similarly sweet with a citrus kick and a muted earthiness.

 FLAVOUR

This strain has a citrusy sweet flavour profile, with subtle grape and sugary berries.

HAND ROLLED TO PERFECTION

We take care to grind the flower to a consistent particle size which helps the final product burn smoothly.

BLACKBERRY BREATH

| | | | | | | | |
|-----|--------|-----|-----|----------|-------|----------|-------|
| THC | 22-25% | CBD | <1% | TERPENES | 2.43% | MOISTURE | 8.75% |
|-----|--------|-----|-----|----------|-------|----------|-------|

This heavily Indica-dominant cultivar is well known and well-loved for both its potency and its intense flavours of sweet, earthy cherry, and woodiness. This variety consistently hits 21% THC levels and can be counted on to hit hard. This Blackberry Breath flower was expertly grown in the heart of B.C. and was hand dried, hand-trimmed, and cured to perfection. Consumers describe a physical sensation of pleasing tingles and a deeply cerebral experience. If you're looking to relax, settle down and enjoy the sensation of couch lock, you're in the right place. We've made your relaxation ritual even easier by rolling this flower into perfectly, expertly rolled joints, ready to go in a pack or 3 x 0.5 gram PRs. It's important to us that every preroll with our name on it lives up to our standards and idea of what the perfect preroll is.

3 X 0.5g PREMIUM AAAA PREROLLS | CASE SIZE 12

 **AROMA**

Celebrated for its bold cherry flavor profile that comes from dense, citrus terpenes, this flower's aroma is often described as sweet and fruity with rich skunky undertones.

 **FLAVOUR**

A bold cherry flavour sets this strain apart from others. The citrus and floral undertones bring to mind a sweet dessert, meant to be savored.

HAND ROLLED TO PERFECTION

We take care to grind the flower to a consistent particle size which helps the final product burn smoothly.
